

## GIS Newsletter 17 17 December 2024

**We wish you a Merry GIS-mas**

Season's Greetings from Gjøvikregionen International School

As we wrap up this year, we would like to express our heartfelt gratitude for your continuous support, engagement, and commitment to the GIS community.

The holiday season offers a wonderful opportunity to reflect, recharge, and spend quality time with loved ones. Whether exploring new books, engaging in meaningful conversations, or simply enjoying time together, we encourage everyone to embrace the spirit of balance and caring for one another.

Our last school day before the holiday is tomorrow, **Wednesday, December 18th**, and it will be a **short day, ending at 12:00 PM**. However, SFO will remain open until 5:00 PM as usual.

### Important Reminders

1. **Bring Everything Home:**

Please make sure your child brings home all their clothes and belongings by the last day. This allows our cleaning staff to thoroughly clean all lockers and shelves during the break.

2. **Lost and Found:**

The lost and found has been displayed in the school entrance for some time. **December 18th is the final day** to check if any of these items belong to your child. After this date, all unclaimed items will be donated.

**Holiday Schedule**

The school and SFO will be **closed from December 19th through January 7th.**

We look forward to welcoming all students back, rested and eager to learn, on **Wednesday, January 8th, 2025.**

Wishing you a joyful and peaceful holiday season, filled with warmth, rest, and renewed inspiration for the year ahead.

Warm regards,  
**The GIS Team**

## Swimming Grade 7.

Just a quick reminder that we have no swimming lesson tomorrow, Wednesday 18 December, also there is no swimming on the first back to school in January

## **MYP Sleepover 24 January** **MYP**

We are still needing some help to supervise.

If you are available to help out, please let us know by completing this [survey, so please click this link](#) 😊

## Student absences in Toddle

We are excited to share that we've now fully transitioned to using **Toddle**! To help us streamline communication, we kindly ask that you use Toddle to report your child's absences. This includes notifying us when your child is sick or has appointments, such as a visit to the dentist.

Please remember to report the absence in Toddle for **each day** your child is away from school (e.g., day 2, 3, etc.).

For leave related to holidays or other planned absences, you must still use the **Application for Leave** form as before. Absences submitted through Toddle for this purpose, or by email cannot be approved. You can find the leave application form here:

<https://gjobvikis.no/school-life/leave-of-absence/>

Thank you for helping us ensure smooth and clear communication. If you have any questions, feel free to reach out!

## Skolelyst

If you are interested in enrolling your child in the Skolelyst program for milk and yoghurt, please see the attached [link](#).

You can also get more information at the front office in school.

## School Contact Details
