Student absences in Toddle

We are excited to share that we've now fully transitioned to using **Toddle**! To help us streamline communication, we kindly ask that you use Toddle to report your child's absences. This includes notifying us when your child is sick or has appointments, such as a visit to the dentist.

Please remember to report the absence in Toddle for **each day** your child is away from school (e.g., day 2, 3, etc.).

For leave related to holidays or other planned absences, you must still use the **Application for Leave** form as before. Absences submitted through Toddle for this purpose, or by email cannot be approved.

You can find the leave application form here:

Thank you for helping us ensure smooth and clear communication. If you have any questions, feel free to reach out!

Skolelyst

If you are interested in enrolling your child in the Skolelyst program for milk and yoghurt, please see the attached [link](#).

You can also get more information at the front office in school.
